ADDENDUM 2

Date: 20 July 2010

Pages: 1

Subject: Addendum 2 to the "Pacific Horticultural and Agricultural Market Access"
RFT of 13 July 2010

Tenderers are advised that a Federal Election has been called for 21 August 2010. The Commonwealth Government has therefore entered into a 'caretaker period' which places limitations on Commonwealth Agencies entering into major new commitments.

The tender selection process will continue, however, AusAID will defer entering into a contract with a preferred tenderer until after the end of the caretaker period. Tenderers are further advised that there is also the possibility that, by convention, any incoming Government may decide to terminate a request for tender process if it does not wish a particular activity to proceed.

All other information as set out in the RFT dated 13 July 2010 and Addendum 1 dated 15 July 2010, remains unchanged.
