Subject: Addendum 2 to the Registration of Interest in a Multi-Use List for AusAID Short Course Awards of 27 March 2010

Questions raised by interested Organisations:

1. Part 3 of the Conditions for Participation states that responses should be limited to a maximum of three (3) A4 pages exclusive of required annexes. Could you please let us know if this is meant as a 3 page maximum IN TOTAL covering all sections A-G in Part 3, or if EACH SECTION has the 3-page maximum limit?

The total number of pages for your response is three (3) A4 pages exclusive of required annexes i.e. three (3) pages maximum covering all sections.

2. Are we allowed to submit appendices as extra supporting material?
We would do this as separate files.

No

All other information as set out in the Invitation dated 27 March 2010 and Addendum 1 dated 9 April 2010 remains unchanged.
