Subject: Addendum 3 to the **Prime Minister's Pacific Australia (PMPA)**
Awards RFT of 23 January 2010

Tenderers are advised of the following:

Clarification to the RFT:

Further to Addendum 2, AusAID has now reviewed the assumptions and costs included under Reimbursable costs as follows:

1. The reimbursable budget has been prepared based on a projection of the highest cost scenario, ie all 30 awardees take three month placements in locations distant from their place of study. As a result, it is likely that there may be savings during implementation;
2. The reimbursable budget includes an amount of approximately AUD80,000 for office running costs, equipment and administration; and
3. The Tender specifies that the Managing Contractor must nominate the position of Program Manager who will liaise with AusAID's Scholarships Program Manager. Any other staff are to be nominated at the discretion of the Tenderer on the basis that they will provide administrative support necessary to establish and maintain up to 30 awardees a year for placements of up to three months.

All other information as set out in the RFT dated 23 January 2010, Addendum 1 dated 1 February 2010, and Addendum 2 dated 5 February 2010 remains unchanged.
