Request for Tender

Prime Minister's Pacific Australia (PMPA) Awards

REQUEST FOR TENDER

Prime Minister's Pacific Australia (PMPA) Awards

AusAID is seeking proposals from organisations interested in providing services for the Prime Minister's Pacific Australia (PMPA) Awards (the "**Project**"). If your organisation chooses to lodge a proposal (the "**Tender**") it must be submitted on the terms of this document and the attached Parts (together referred to as the "**Request for Tender**" or "**RFT**"). The required services (the "**Services**") are described in detail in Part 3 - Scope of Services.

STRUCTURE OF THE RFT

The RFT is separated into two (2) Sections and several Parts. References in the RFT to Parts and Sections are to Parts and Sections of this RFT.

Section 1 details the Project Specific Tender Conditions (**Part 1**) and the Project Specific Contract Conditions (**Part 2**), the Scope of Services (**Part 3**), and the Basis of Payments (**Part 4**).

Section 2 details the Standard Tender Conditions (**Part 5**) and the Standard Contract Conditions (**Part 6**).

The two sections are designed to clearly identify standard clauses applicable to AusAID tenders and contracts and by extension to highlight particular requirements (either in tendering or the contract) that will apply for this particular Project.

The conditions (Tender and Contract) contained in this RFT apply to this stage of the procurement process and supersedes any earlier stage conducted by AusAID.

Tenderers are encouraged to fully inform themselves of the Contract Conditions (both Project Specific and Standard) when preparing their Tenders and to make any enquiries before the Tender enquiry closing time, referred to in **Clause 2, Part 5**.

It is AusAID's intention to contract on the basis of the Contract Conditions provided in this RFT.

AusAID Contracts Charter

AusAID has published a Contracts Charter describing AusAID's approach to contracting aid activities, expectations of contractors and what contractors may expect from AusAID. Tenderers are encouraged to access and inform themselves of the Charter which is available on URL: <http://www.ausaid.gov.au/business/pdf/charter.pdf>

5.4 Tenderers are reminded of the requirements of **Clause 8, Part 6** particularly in relation to the availability of specified personnel. AusAID will consider as materially inaccurate, and will therefore reject, any Tender which does not disclose the fact that a proposed team member has an existing and continuing commitment to another AusAID project.

5.5 AusAID's strong preference is that individuals with conflicting commitments are not included in Tenders. Where team members with conflicting commitments are nominated, AusAID will assess on a case-by-case basis the impacts of the personnel changes and may require further information from the Tenderer in relation to managing the transition.

The type of employment should be specified as ‘overseas employment.’ Overseas, different checking procedures apply in each country and may take six weeks or longer. Individuals need to give their consent to a criminal record check and should be informed of the purpose for which it will be used, including sighting by AusAID.

- (c) include detailed information on assumptions used in preparing the pricing.

6.3 Any escalators, foreign exchange rate variations, or other price risks, must be built into the fixed price proposal but separately disclosed as a single escalator factor. AusAID will not consider any “across the board” escalators subsequently applied to any rates or Project costs.

6.4 Information provided in the tables will be used for any financial assessment and for the like-for-like price assessment.

6.5 **Part 4** Draft Basis of Payment outlines the payment regime in detail. The Contract will include three (3) categories of payments:

Tenderers should note that leave entitlements and the management strategy may be assessed by the TAP or AusAID as part of the technical assessment process. AusAID reserves the right to negotiate leave entitlements should AusAID consider them excessive.

Reimbursable costs

- 6.7 “Reimbursable Costs” include those items identified at Table 5. The Contractor will be reimbursed on the basis of the actual cost incurred for items identified as reimbursable, up to a specific limit.

TENDER SCHEDULE C – FINANCIAL TABLES

7. TENDER SCHEDULE D – FINANCIAL ASSESSMENT

- 7.1 No Contract will be entered into unless AusAID has satisfied itself of the financial capacity of the Tenderer to undertake the contractual obligations. In this regard, AusAID requires that each Tenderer provide information on its financial status at **Tender Schedule D**. Two options are available.

Option 1

This option is mandatory for:

- (a) those Tenderers who have not been subject to a financial assessment by AusAID in the 12 months preceding the date of release of this Tender; or
- (b) those Tenderers who have been subject to a financial assessment by AusAID within the 12 months preceding the date of release of this Tender who have experienced a material change in financial position since the last financial assessment was completed by AusAID; or
- (c) those Tenderers who have finalised their latest annual financial statements since the Tenderers last financial assessment by AusAID.

Under this Option 1, Tenderers must provide details of the following:

1. the name of the tendering entity and its ultimate owner(s).
2. the names and financial relationships between the tendering entity, its parent entity (if relevant) and other related entities within the group.

3. the previous three years' annual financial statements for the tendering entity. These annual financial statements must be prepared in accordance with Generally Accepted Accounting Standards applicable to the Tenderer's country of residence (audited if available). The annual financial statements for each year must include:

- a) a balance sheet;
- b) a profit and loss statement; and
- c) a cashflow statement

each prepared on an accrual accounting basis.

An auditor's statement of financial viability or short form financial statements are not acceptable.

4. contact name and telephone number of the Tenderer's financial accountant.

5. a statement detailing any other tendering opportunities being pursued by the tendering entity or the group and the likely impact of such tendering opportunities on the financial capacity of the Tenderer to discharge its contractual obligations to AusAID associated with this RFT.

Option 2

This option may be considered by a Tenderer where:

(a) a Tenderer has been subject to an AusAID financial assessment in the previous twelve months, except where the Tenderers latest annual financial statements have been finalised since the last financial assessment by AusAID; and

(b) the Tenderer can demonstrate to the satisfaction of AusAID that their financial circumstances have not materially changed since the time of the previous financial assessment.

Tenderers who consider that they may qualify for Option 2 must provide the following information:

- 1. the date of its most recent financial assessment and the name of the tender for which this assessment was undertaken;
- 2. an explanation of why a Tenderer believes a further financial assessment is not warranted; and
- 3. a statutory declaration declaring that the Tenderer's financial position has not altered materially since the date of the previous assessment.

Where a Tenderer considers itself exempt from the need to provide the full financial information (Option 1) and chooses instead to supply with the information in Option 2 AusAID reserves the right to subsequently require the Tenderer to provide the information required in Option 1.

A Tenderer must respond to either Option 1 or Option 2 to satisfy the requirements of this Tender.

Tenderers should be aware that AusAID may wish to contact the nominated financial accountant to obtain further information to assess the financial capacity of the Tenderer to undertake the Contract.

AusAID reserves the right to engage appropriate external expertise to assist with the analysis of the financial information. A report on the financial capacity of the Tenderer to undertake the Contract may be provided to either the delegate or the TAP.

The financial information of Tenderers will be treated confidentially.

PART 3 - SCOPE OF SERVICES

Prime Minister's Pacific Australia (PMPA) Awards

Note to Tenderers: This **Part 3** of the RFT will appear as Schedule 1 of the Consolidated Contract. It reflects the most current version of the Services required of the Contractor but may be updated by AusAID during contract negotiations, particularly in light of information included in the Tenderer's response to the RFT.

DRAFT SCHEDULE 1 – SCOPE OF SERVICES

Prime Minister's Pacific Australia (PMPA) Awards

1. BACKGROUND

- 1.1 Scholarships have featured in Australia's overseas aid program for decades. Australia prides itself on providing developing countries with access to its higher education system and has awarded study opportunities in Australia since the days of the early Colombo Plan in the 1950s. AusAID scholarship and award programs play a significant role in Australia's relationships in the Pacific region and with partner governments.
- 1.2 AusAID's Australian Development Scholarships (ADS) and Australian Leadership Award Scholarships (ALAS) are a capacity building tool aimed at delivering sustained social and economic growth in line with Australia's national interests in target countries.
- 1.3 Award programs achieve two mutually beneficial objectives:
 - (a) Achieving country and regional program development outcomes through strengthened individual and institutional skills and knowledge, and by supporting leadership; and
 - (b) Supporting Australia's broader foreign policy agenda through long-term linkages and partnerships.
- 1.4 The new Prime Minister's Pacific-Australia (PMPA) Awards are intended to supplement existing postgraduate ADS and ALAS awardees from the Pacific Region, including Papua-New Guinea and East Timor and are due to commence in 2010.

2. GOAL

- 2.1 In line with the above overarching objectives of AusAID's award programs, the aims of the PMPA Awards are to:
 - (a) Assist nation building through strengthening institutional capacity and leadership in Pacific and East Timor; and
 - (b) Build enduring people to people linkages between Australia and countries in the Pacific.

Component Descriptions and Objectives

- 2.2 The PMPA Awards build on existing programs offered to Awardees and emerging leaders in the Pacific through a combination of work placements (up to three months) and leadership training to enhance the impact of the study undertaken.

- 2.3 Through the provision of development-relevant work placements, high performing scholars from the Pacific can build on their postgraduate academic skills and experience.
- 2.4 The Award recipients will be placed with an appropriate Australian organisation. Australian business, NGOs and industry will be partners in the work placement component and will build long-term links with counterpart organisations in the region. In addition to work placements PMPA Awardees will participate in a structured leadership development component, parallel to their work placement.
- 2.5 In order to identify candidates for the Award, AusAID will seek nominations from institutions and AusAID Posts for eligible awardees, who have demonstrated exemplary academic achievement, as well as outstanding leadership potential and career prospects.

Components of PMPA Awards

- 2.6 It is expected that up to 120 PMPA awards will be granted between 2010 – 2014 and each year a maximum of 30 eligible postgraduate ADS and ALA scholars from the Pacific will be awarded a PMPA Award. Each Award will be valued up to AUD25,000 including work placements and leadership development, together with all costs associated with the delivery of the Program detailed in the PMPA Awards guidelines.

Work Placement

- 2.7 The work placement will be undertaken in Australia by the Awardee immediately upon completion of their ADS or ALAS academic program. The work placement must be a minimum of one month and up to three months in duration, undertaken at the one organisation. The length of the placement enables the participants to deepen their exposure to Australian working practices while still ensuring a timely return home to ensure maximum development impact. The Awardee will be required to leave Australia immediately upon completion of their work placement.

Leadership Development

- 2.8 Parallel to the work placement will be a leadership development component designed to strengthen leadership capacities and increase ability to contribute to the priority development needs of their country. The leadership development component will comprise a compulsory two-day Pacific leadership workshop and optional additional leadership development opportunities (subject to AusAID approval and available funding), such as participation in the ALAS Leadership Development Program Conference, the Emerging Pacific Leaders' Dialogue or other training seminar attendance as appropriate.

3. MANAGEMENT

- 1.12 Where there is any inconsistency between the tender lodgement procedures set out on AusTender and those set out in this RFT, this RFT will prevail.
- 1.13 Tenders not submitted in accordance with **Clause 1.11** will be excluded from evaluation.
- 1.14 It is the responsibility of tenderers to ensure that their infrastructure including operating system and browser revision levels meet the minimum standards as defined on AusTender. Neither AusAID nor the Commonwealth takes any responsibility for any problems arising from tenderers' infrastructure and/or Internet connectivity.

Conditions Applying to Hard Copy Tender Lodgement

- 1.15 For hard copy lodgement, the Tenderer is responsible for the delivery of their Tender. The Tender must be placed in AusAID's **Canberra Tender Box**. The Tender must be delivered during **Business Hours** by the **Closing Time**. Failure to submit a Tender in accordance with this clause may render the Tender liable to rejection.
- 1.16 The Original Tender document and any copies requested should be bound using a plastic comb binding, and should contain no plastic page separators.
- 1.17 The Tender should be endorsed with the name of the Project and marked: "Tender Box: Attention **Contact Person**." The Tenderer's postal address and fax number should be provided on the outside of the Tender.

3. **LATE TENDERS**

Conditions Applying to Tenders Lodged Electronically

3.1 A Tender lodged electronically is a **Late Tender** in accordance with the conditions specified in **Clause 6, Annex D of this Part** and will be excluded from evaluation.

3.2 For tenders submitted electronically, the time displayed on AusTender is deemed to be the correct time and will be the means by which AusAID will determine whether Tenders lodged electronically have been lodged by the **Closing Time**.

3.3 The judgement of AusAID as to the time a Tender has been lodged electronically will be final.

Conditions Applying to Tenders Lodged in Hard Copy

3.4 A hard copy Tender lodged after the **Closing Time** is a late Tender.

3.5 AusAID will admit to evaluation a Tender that was received late solely due to AusAID mishandling. AusAID mishandling does not include mishandling by a courier or mail service provider engaged by a Tenderer to deliver their Tender. It is the responsibility of tenderers to ensure that their Tender is dispatched in sufficient time for it to be received by AusAID by the **Closing Time**.

3.6 Late Tenders that are rejected by AusAID will be returned to tenderers unopened, except in cases where a Tender must be opened to identify the return address of the Tenderer or to establish which tender process the Tender was for.

3.7 If a Tender is taken to be late, the Tenderer may be asked to provide explanatory evidence in an appropriate form to the **Contact Person** specified in the Tender Particulars.

4. **NON-CONFORMING TENDERS**

4.1 Subject to **Clause 3 (Late Tenders) of this Part**, Tenders will be regarded as non-conforming if they fail to conform with one or more of the requirements of the RFT.

4.2 AusAID reserves the right to seek clarification of non-conforming Tenders in accordance with **Clause 5 of this Part**.

4.3 Subject to **Clause 3 (Late Tenders) of this Part**, AusAID may, at its absolute discretion, assess or reject a non-conforming Tender.

5. **CLARIFICATION OF TENDERS**

5.1 AusAID reserves the right to seek clarification of any Tender. Tenderers must:

- (a) respond to any request for clarification within the time period specified by AusAID;
- (b) ensure that additional information provided answers AusAID's enquiry and is fully consistent with the Tender submitted by the Tenderer; and
- (c) not seek to change any aspect of their Tender by providing additional information to AusAID.

5.2 Clarifications are provided on the terms of the RFT.

5.3 Failure to supply clarification to the satisfaction of AusAID may render the Tender liable to rejection.

6. **AMENDMENT OF THE RFT**

6.1 AusAID may amend the RFT at any time by issuing an Addendum. All conditions of this RFT will apply to Addenda.

7. **ASSESSMENT OF TENDERS**

7.1 Tenders will be assessed on the following basis:

- (a) technical, which includes the other factors described in **Clause 7.8 of this Part** which in AusAID's opinion may impact upon the suitability of any Tenderer including the financial viability of any Tenderer; and

- (b) financial

to achieve the best value for money outcome.

7.2 Tenderers should note that value for money determinations are made on a whole-of-life basis and that AusAID is not bound or required to accept the lowest priced Tender or any Tender.

Technical Assessment

7.3 The technical assessment will be undertaken by the Technical Assessment Panel (the “**TAP**”) comprising AusAID representative(s) and independent specialists appointed at AusAID’s sole discretion. Representatives of the Partner Government may also participate. The TAP will assess Tenders based on the technical selection criteria specified in **Part 1**.

- 7.4 AusAID may invite a Tenderer (shortlisted or otherwise) to give AusAID a short presentation and be interviewed by the TAP. Specified Personnel, such as the proposed in-country team leader and the project director, will be required to attend at the presentation. If Specified Personnel are unable to attend, a teleconference presentation may be arranged. Specified Personnel will be required to answer any questions asked by the TAP. The TAP will be convened in Canberra and the costs of the Tenderer's (and its personnel's) attendance must be borne by the Tenderer.
- 7.5 Tenderers should note that failure by a Tenderer or proposed Specified Personnel to attend the presentation (either in person or via teleconference) may disadvantage the Tender.
- 7.6 TAP members are required to maintain the “commercial-in-confidence” nature of the proceedings of the TAP meeting. TAP members must not discuss matters relating to the technical assessment of any tender with any party. Tenderers must not make contact with any members of the TAP, outside any TAP meeting, and any such contact will be considered a breach of confidentiality and may result in AusAID rejecting the tender of the Tenderer concerned.
- 7.7 AusAID reserves the right to take into account in the assessment of this Tender the past performance of the Tenderer or any proposed personnel contained in the Tender in accordance with **Annex A of this Part**.
- 7.8 In making its assessment the TAP or AusAID may have regard to other factors relevant to the suitability, capacity and qualifications of a Tenderer including but not limited to:
- (a) the Tenderer's ability to comply with AusAID policies referred to in this RFT and the Tenderer's ability to comply with the **Contract Conditions**;
 - (b) the resourcing of Tenders;
 - (c) information obtained from any source which is relevant to the capacity of the Tenderer or any proposed personnel to perform the Services and achieve the Project goals and objectives. Such information may be the result of inquiries made by AusAID; and
 - (d) the Tenderer's demonstrated understanding of the cultural environment of the Project.

These other factors have not been allocated any specific weightings.

- 7.9 TAP members may adjust technical scores as a consequence of the presentation, interview and consideration of past performance.

Goods and Services Tax

- 7.10 All Tenderers should be aware that under *A New Tax System (Goods and Services Tax) Act 1999 (GST Act)*, AusAID is treated as a taxable enterprise. To allow a like-for-like price assessment, the financial proposal must state the value of the supplies exclusive of the GST.

Insurances

- 7.11 The financial proposal must be inclusive of all necessary insurances required by the Contract Conditions and for the performance of the Services. Notwithstanding the requirements of the Contract AusAID strongly recommends that all Tenderers seek advice on and consider arranging professional indemnity insurance as a matter of prudent commercial practice. Where such insurance is arranged, AusAID recommends that it be maintained for the duration, plus a further 3 years, of the full Term of the Contract or earlier termination.

Project Vehicles

- 7.12 For the purposes of this clause, “Project Vehicles” are defined as vehicles paid for by AusAID, remain the responsibility of the Contractor for the term of the Project and that are provided primarily for Contractor Personnel use for Project activities. Vehicles purchased by the Project, but handed over to the Partner Country immediately (where maintenance and insurance are Partner Country responsibilities and Contractor Personnel do not use the vehicles or only use them on an exceptional basis) are not considered Project Vehicles for the purposes of requiring a financial contribution by the Contractor.
- 7.13 In consideration of the Contractor being entitled to use Project Vehicles for non-project use the Contractor must contribute \$250.00 for each Project Vehicle for each month of the Project. The contribution will be deducted by the Contractor and must be clearly identified on the Contractor’s invoices.
- 7.14 The Contractor must abide by the following requirements with regards to Project Vehicles:
- (a) Project demands must always take precedence over private use;
 - (b) the Contractor must ensure that any persons driving the Project Vehicle must have a current valid international or Partner Country drivers license for the class of Project Vehicle;
 - (c) the Contractor is responsible for ensuring Project Vehicles are appropriately insured;
 - (d) the Contractor is responsible for ensuring that seat belts are fitted and must make every effort to ensure that they are worn at all times by drivers and all passengers;
 - (e) the Contractor is responsible for any costs incurred in the event of an accident while the Project Vehicle is being privately used; and
 - (f) the Contractor must ensure that Project Vehicles are serviced in accordance with manufacturer’s requirements.

Tenderers Note: compliance with the requirements detailed in **Clause 7.13 above** may be subject to a review undertaken by or on behalf of AusAID under the **Standard Conditions** clause of the Contract titled **Reviews**.

- (b) I am available to participate in the Project in the role in which I have been nominated in the Tender for the period or periods indicated in the Tender;
- (c) I am a person of good fame and character; and
- (d) I have not been convicted of an offence of, or relating to, bribery of a public official, nor am I subject to any proceedings which could lead to such a conviction.”

While an original signature on CVs is preferred, copies are allowed. However, Tenderers are reminded of their warranties (**paragraphs 3.3 and 3.4**) and the potential consequences to their Tender (**paragraph 3.5**), as detailed in the Tenderer Declaration (**Annex B of this Part**).

Referees

7.18 Tenderers must nominate at least two (2) referees who can provide an objective assessment of the quality of relevant and recent work performed by the organisation (if the Annex titled Past Experience Forms is used) or the proposed team member (regarding Tender Schedule B). 8. **JOINT VENTURES AND CONSORTIUMS**

- 8.1 AusAID intends to contract with a single legal entity.
- 8.2 In the case of a joint venture or consortium that does not constitute a single legal entity, AusAID will contract with the lead joint venture or consortium member that is required to be nominated by the tenderer.
- 8.3 Tenders by a joint venture or consortium must be submitted on the basis that details on the activities to be performed and responsibility assumed by each party of the joint venture or consortium must be clearly specified in the body of the text in **Tender Schedule A**.
- 8.4 AusAID may require parent company guarantees from the parent companies of parties to a joint venture or consortium.

9. **ASSOCIATES AND OTHER SUB-CONTRACTORS**

- 9.1 Tenders involving two or more parties who have not formed a single legal entity will only be accepted if the Tender is submitted on the basis that one party, the Tenderer, is intended to act as the prime contractor and any other party becomes a sub-contractor known as an “Associate”.
- 9.2 Tenders involving Associates will be assessed on the basis of that arrangement. Tenders must include:
- (a) details on the activities to be performed and responsibilities assumed by each party where Associates are involved must be described in the body of the text of **Tender Schedule A**; and
 - (b) assurance to AusAID from an authorised representative of the Associate of their corporate commitment to and involvement in the Project in the form of a single page Letter of Association in a separate annex to **Tender Schedule A**.

Details of Associate responsibilities, if any, will be included in the Contract.

These details must also be included in a separate annex to **Tender Schedule A** in the form described in **Clause 9.4 below**.

10. **OWNERSHIP OF TENDERS AND RFT**

- 10.1 All Tenders become the property of AusAID on lodgement.
- 10.2 Such intellectual property rights as may exist in the information contained in each Tender will remain the property of the Tenderer.
- 10.3 The Tenderer authorises AusAID to copy, adapt, amend, disclose, including to AusAID contractors and advisers, or do anything else necessary, in AusAID's sole discretion, to all materials including that which contains intellectual property rights of the Tenderer or other parties contained in the Tender.
- 10.4 Copyright in the RFT is reserved to AusAID.

11. **CONFLICT OF INTEREST**

- 11.1 Tenderers must:

- (a) identify any actual or potential conflict of interest; and
- (b) the procedures they intend to implement for dealing with, any actual or potential conflicts of interest,

which may arise in connection with the submission of their Tender or the conduct of the Services described in this RFT. Tenders should include details of any known circumstances that may give rise to either an actual conflict or potential of conflict of interest in relation to the Project.

- 11.2 If any actual or potential conflicts of interest arise for a Tenderer before entering into a Contract for the Services, AusAID may:

- 12.2 If a Tenderer is found to have made false or misleading claims or statements, or receives improper assistance or improperly obtains confidential information, AusAID reserves the right to reject at any time, any Tender lodged by or on behalf of that Tenderer.

13. INELIGIBILITY TO TENDER

- 13.1 A Tenderer is ineligible to tender where the Tenderer or any subcontractor of the Tenderer is listed by the World Bank in its “Listing of Ineligible Firms” or “Listings of Firms, Letters of Reprimand” posted at www.worldbank.org (the “**World Bank List**”).
- 13.2 Tenderers warrant by submitting a tender that the Tenderer, and any subcontractor of the Tenderer, are not listed on a World Bank List. Tenderers must also state in their tender whether the Tenderer or any subcontractor of the Tenderer is listed on any similar list maintained by any other donor of development funding (“**Relevant List**”) or are subject to any proceedings which could lead to listing on a World Bank List or listing on any Relevant List. Tenderers must also immediately notify AusAID where the Tenderer or any of their subcontractors becomes listed on a World Bank List or Relevant List, or subject to proceedings which may lead to such a listing, after the tender is submitted to AusAID.
- 13.3 AusAID will exclude any tender where the Tenderer is in breach of the warranty, or does not disclose any circumstance required under **Clause 13.2**. AusAID also reserves the right to exclude any tender, where the Tenderer or a subcontractor of the Tenderer becomes listed on a World Bank List or Relevant List, or is subject to proceedings which could lead to such a listing.

15. TENDERER'S ACKNOWLEDGEMENT

15.1 A Tender is submitted on the following basis:

18. FURTHER REQUIREMENTS

- 18.1 Tenderers should be aware that current employees of AusAID cannot be included in Tenders for AusAID projects. Former AusAID employees may be included in Tenders if doing so does not represent a breach of conflict of interest.
- 18.2 Tenderers should note that the Commonwealth Procurement Guidelines require that Commonwealth agencies must not enter into agreements with suppliers who have had a judicial decision against them (not including decisions under appeal) relating to employee entitlements and who have not paid the claim. AusAID will reject submissions from tenderers in this position.
- 18.3 Tenderers must keep any discussions or contact with AusAID in connection with the Tender, the RFT and any contract negotiations confidential. Any unauthorised approach by a Tenderer to an AusAID officer or discussion of matters pertaining to the procurement process will be considered a breach of confidentiality.

19. CONTRACT NEGOTIATIONS

- 19.1 AusAID may select, as preferred Tenderer, the Tenderer(s) who best meet the requirements of the RFT on the basis of the tender assessment process.
- 19.2 The preferred Tenderer(s) must within 14 days of written notification from AusAID that it has been selected as preferred Tenderer, provide AusAID with originals of Police Clearance Certificates for all Personnel nominated in their Tender in positions specified in the Specified Personnel Table (**Clause 7, Part 1**) as working with children.

AusAID recognises that in limited instances it may prove impossible to obtain a reliable Criminal Record Check, and will take non-provision of a Criminal Record Check into account upon request;

- (d) AusAID reserves the right to require the preferred Tenderer(s) to replace any Personnel whose Police Clearance Certificate shows conviction of criminal offences of, or relating to, child abuse where AusAID, in its absolute discretion, considers that the Personnel poses an unacceptable risk to children's safety or well-being. Nominated replacement Personnel must have qualifications and experience equal to or better than those of the personnel being replaced, and must be acceptable to AusAID.

19.3 It is AusAID's intention to contract on the basis of the Contract Conditions contained in this RFT. Following the selection of a preferred Tenderer AusAID may enter into negotiations with the preferred Tenderer in respect of the Scope of Services and the Basis of Payments of the contract. Such negotiations will be strictly limited to matters of detail rather than substance.

19.4 If the Scope of Services is reduced as a result of constraints imposed on AusAID before or after the **Closing Time**, AusAID and the preferred Tenderer must negotiate, in good faith, a proportionate reduction, if necessary, to the fixed price quote.

19.5 Enhancements to the Scope of Services included in the Tender in accordance with the selection criteria should be costed into the fixed price quote for the purposes of the like-for-like price assessment. Where AusAID has instructed that the like-for-like price assessment is to be based on indicative values, the Tenderer must clearly specify all cost implications of enhancements proposed in the Tenderer's technical proposal.

20. **CONTRACT PLANS**

20.1 The preferred Tenderer may be required to convert the Technical Proposal submitted in its Tender into appropriate schedules for the Contract based on the Contract Conditions. The Tenderer must take into account the outcome of any negotiations and give effect to amendments agreed with AusAID.

21. **APPLICABLE LAW**

21.1 The laws of the Australian Capital Territory apply to the RFT and the RFT process.

- 5.2 Tenderers must allow sufficient time for tender lodgement, including time that may be required for any problem analysis and resolution prior to the **Closing Time**.

- 5.4 Tenders lodged through AusTender will be deemed to be authorised by the tenderer.
- 5.5 If tenderers have any problem in accessing the AusTender website or uploading a tender they must contact AusAID via the nominated **Contact Person (Clause 1 of Part 1)** or the

- 6.2 Where electronic submission of a tender has commenced prior to the **Closing Time** but concluded after the **Closing Time**, and upload of the tender file/s has completed successfully, as confirmed by AusTender system logs, the tender will not be deemed to be a Late Tender. Such tenders will be identified by AusTender to AusAID as having commenced transmission prior to, but completed lodgement after, **Closing Time**.

- 6.4 Late Tenders, incomplete tenders, including those with electronic files that cannot be read or decrypted, tenders which AusAID believes to potentially contain any virus, malicious code or anything else that might compromise the integrity or security of AusTender and/or AusAID's computing environment, will be excluded from evaluation.

7. **PROOF OF LODGEMENT**

- 7.1 When a tender lodgement has successfully completed, an official receipt is provided on screen. The on-screen receipt will record the time and date the tender was received by AusTender and will be conclusive evidence of successful lodgement of a tender. It is essential that tenderers save and print this receipt as proof of lodgement. A separate email confirming receipt of the tender will also be automatically dispatched to the email address of the registered user whose details were recorded at login.
- 7.2 Failure to receive a receipt means that lodgement has not completed successfully. Where no receipt has been issued by AusTender, the attempted lodgement will be deemed to have been unsuccessful. Tenderers should refer to **Clauses 5.2 and 5.5** above.

8. **AUSTENDER SECURITY**

- 8.1 Tenderers acknowledge that although the Commonwealth has implemented the security measures described on AusTender, the Commonwealth does not warrant that unauthorised access to information and data transmitted via the Internet will not occur.

 - (a) lodgement of their tender on time and in accordance with these conditions of tender is entirely their responsibility; and
 - (b) AusAID will not be liable for any loss, damage, costs or expenses incurred by tenderers or any other person if, for any reason, a tender or any other material or communication relevant to this RFT, is not received on time, is corrupted or altered

19. ACCESS TO THE CONTRACTOR'S PREMISES, DATA AND RECORDS

19.1 The Contractor must grant AusAID and/or its nominees (including the Auditor-General or the Privacy Commissioner or their delegates), access to the Contractor's premises, the Data,

- 20.10 A payment by AusAID is not an admission of liability. In the event that AusAID makes a payment for the completion of a Payment Milestone or the procurement of Supplies or inputs that AusAID subsequently learns have not been completed to the quality or performance specifications required or provided as required, the payment shall be deemed an overpayment and recoverable from the Contractor. 21.3 The amount payable under the Contract for each supply listed in **Schedule 2** is the value of that supply plus any GST payable by the Contractor under the GST legislation. Payment by AusAID to the Contractor of the GST shall be subject to the Contractor providing AusAID with a valid Tax Invoice issued in accordance with the relevant provisions of the GST legislation and regulations.

21.4 The total amount of GST payable by the Contractor, and for which the Contractor seeks payment from AusAID, in respect of any supply shall be shown as a separate item on the Tax Invoice.

 - (c) if required in connection with legal proceedings,
- but in the case of (b) and/or (c) above, subject to the Contractor giving AusAID sufficient notice of any proposed disclosure to enable AusAID to seek a protective order or other remedy to prevent the disclosure.
- 25.5 The Contractor must not transfer AusAID Confidential Information outside Australia, except to the Partner Country, or allow parties outside Australia to have access to it, without the prior approval of AusAID.

25.6 The Contractor must use AusAID Confidential Information held, acquired or which the Contractor may have had access to in connection with this Contract only for the purposes of fulfilling its obligations under this Contract.
